Date: March 23rd – 24th, 2022

Time: 9:00 am – 1:00 pm

Platform: Zoom – link will be provided upon registration

[Click here to register](#)

Objectives:

- Understand the history, purpose, and importance of Partner Services in relation to both HIV and public health
- Recognize the principles of Partner Services, and healthcare provider role in initiating Partner Services
- Identify patient concerns and ways to address them
- Discuss the guiding principles of harm reduction and its relation to building rapport with patients
- Increase skills in collaborating with Partner Services and facilitating successful warm handoffs
- Gain access to Partner Services resources distributed to attendees

CEU credits are pending.
